Stone Mission Statement

We are a community of followers of Jesus Christ called to spiritual growth, building one another up, and sharing the love of God in the wider community.

Street Hope Healing & Wholeness

At Street Hope Saint John we believe that God hears and answers prayer for healing. The "Healing Clinic" is an opportunity to seek God for wholeness in each and every aspect of our lives. Join Reed Fleming each Monday from 10:00-11:00 am in the Stone Church Library. All are welcome.

Mission Sunday - November 18

Sarah Usher, Northern Clergy Families Fund Coordinator will be with us on Sunday, November 18. We look forward to hearing firsthand about the work of the Northern Clergy Families Fund and the needs of our northern clergy. It will also be our shared lunch Sunday.

Canadian Bible Society Volunteer Opportunity
The Word. For Life.

There is an opportunity to be a representative for the Canadian Bible Society (CBS) to our congregation, and, play an important role in fulfilling our mission to spiritual growth.

Become a *Congregational Representative* to fulfill a crucial link between the CBS and the local church! As a *Congregational Representative*, you'll be able to: (1) inform the congregation of the resources that are available to enhance outreach and pastoral programs; (2) tell the story of the Bible Society ministry and; (3) promote the distribution and use of the Scriptures.

CBS will provide you with a resource kit of materials, training, a newsletter with suggestions for using Scripture and ongoing support to help you share CBS with your church.
